ACADIA TROUBADOUR 58th—Take another look at this pedigree. It has all the breeding you would want in a bull. Calrossie Troubadour was also the sire of PS Troubadour, the \$20,000 1956 International grand champion steer. This bull pasture-settled 50 head of cows in a two-month period last summer.

Shorthorn and Polled Shorthorn bull demand was so broad this past year that many potential buyers were unable to fill their orders. Buy in this sale and protect yourself against the "spring stampede" for Shorthorn and Polled Shorthorn bulls.

CLARA 164th—The heifers we are consigning are typical of all the females that Recollection has been siring for us. Except for the fact that our herd has completely outgrown our facilities, these would not be for sale. These are strictly foundation material. They have not been fitted but are in good, thrifty condition and out of our most dependable female families. We are keeping 60 head of their sisters from the last three crops as replacements.
